

**The list of approved supervisors in the Department of Biophysics,
University of Delhi South Campus :**

Name of Faculty	Research Area	Link to Faculty Profile
Prof. Manisha Goel	Structural Biology, X-ray crystallography, Bioinformatics.	http://biophysics.du.ac.in/manisha-goel/
Prof. Manish Kumar	Computational Biology, Bioinformatics	http://biophysics.du.ac.in/wp-content/uploads/2021/03/Dr.-Manish-Kumar-Biophy.pdf
Dr. Suman Tapryal	Subunit vaccines, Protein engineering & Drug discovery	https://smrth.in/3JC
Dr. Sumit Kumar Chaturvedi	Molecular biophysics and dynamics of macromolecular assembly, neurodegenerative disorder and protein aggregation, interaction of biomolecules (Protein-Protein, Protein-DNA/RNA, Protein/DNA- ligands)	SUnit_Biosketch.pdf
Dr. Hemlata Agnihotri	Cell signaling, Receptor biology, Host-pathogen interactions	Hemlata_CV.pdf
